RANGEVILLE OUTSIDE SCHOOL HOURS CARE

FAMILY INFORMATION PACKAGE

Rangeville State School P&C Association welcome children and families to Rangeville Outside School Hours Care (ROSHC).

ROSHC is designed to provide care for Prep to Year 6 children in Before and After School Care and Vacation Care situations. We fully support working parents and work with them to make our service a place where children are excited to attend. All children are valued at ROSHC and they deserve educators who will listen, help and spend time with them to support their physical and emotional growth.

Our service is approved by the Office for Early Childhood Education and Care and we participate in the Outside School Hours Care National Quality Framework process and are committed to providing continuous high quality care.

We hope that you find this information package helpful and informative. There are two handbooks which outline how our service operates; the Family Handbook and Children's Handbook. Please use this checklist below to ensure you have received and completed the relevant information.
